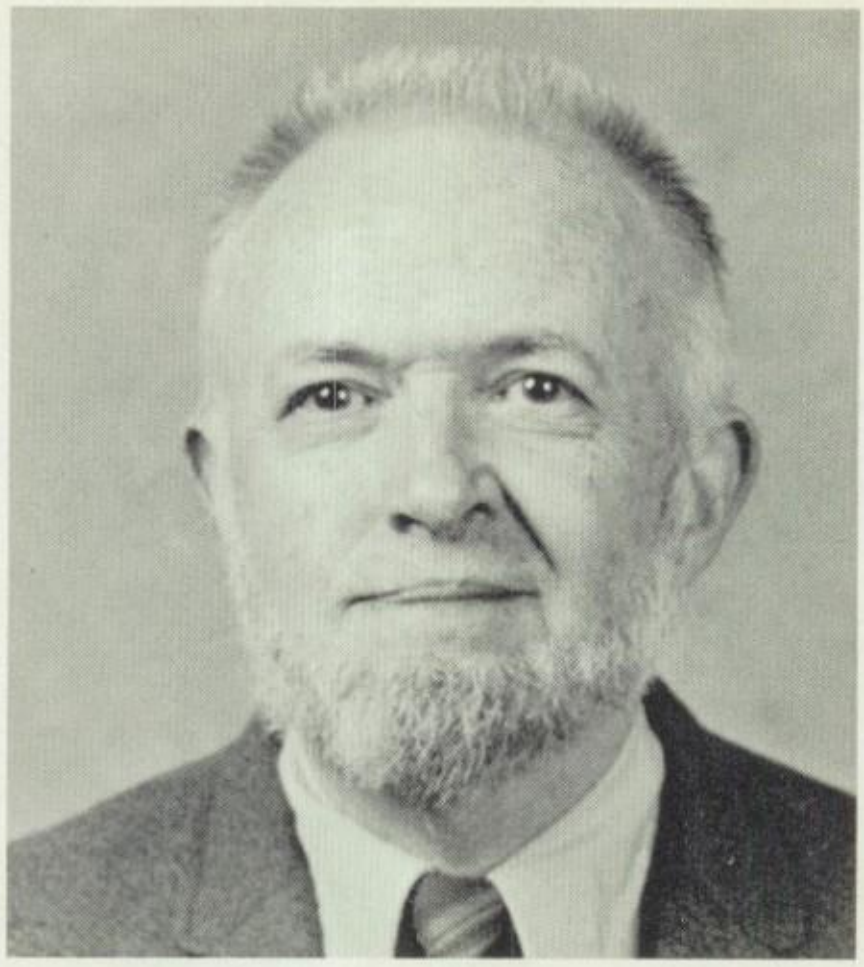
Mr. Robert Kellogg



IN MEMORY

The 1978 Annual Staff unanimously concurred that this year's Annual should be dedicated to an individual who dedicated himself to service to the Toulminville High School and community while a servant in the Master's vineyard. He unselfishly gave of his time, talent and monies in order that a greater amount of sunshine could come into the lives of others.

It would be needless to say that we miss him because that would be the understatement of the year. The loyalty and service he render to the students (particularly atheletes and cheerleaders) will always be remembered because they extended far beyond school hours. And at times, beyond that of a father, brother, mother or sister. With this in mind, one can certainly see the worthwhileness in fondling the memories of one of our stellar' benefactors.

Great men are remembered by their deeds and services to humanity. Therefore, the Toulminville family will always cherish the memories of Mr. Robert (Bob) Kellogg; not only because of the services and deeds he rendered, but because of the gentlemanly characteristics he always exemplified, and his ability to befriend and be a friend of everyone-everywhere.

He was a valiant man.

LET US NOT FORGET —

EDITOR'S MESSAGE

It has been quite an experience serving as Editor of the '78 TOUHIRA. One that will linger with me for years to come. First, because of the honor which you have bestowed upon me by electing me to serve as Editor. Second, the challenge involved, and the ability and inability of the staff to work together. And last, despite the many hours of hard and dedicated work, a publication that is unique, and one which we may treasure when wanting to reminisce our experiences at Toulminville High School.

The theme that has been chosen for this edition, "Striding Toward Success," is quite befitting for every member of the Toulminville family because each day's preparation brought the realms of success closer. Our administrators and faculty were at the helm of our journey and have played well their part in preparing us for our various rendezvouses—seniors as well as freshmen. We must now take the portions that they've given us and make further strides toward success in some endeavor.

As the '78 seniors stride toward success, the staff hopes that they will have a realization that they've reached only the first rung in the ladder of success. And too, that the greatest success will come to those who make the most strides toward attaining it.

Success is possible if one works hard enough for it. Hopefully, each will find it in his chosen endeavor, and will contribute something worthwhile to our city, state and nation. And as we reach the various successes, we can depend upon this publication for recalling the friendships and initiators of our success.

CLASS SONG

(1978)

To Toulminville We Love You

Toulminville we love you
Because you've helped us through
By giving us all you've got
To us that means a lot.

The closer we near the end
We're trying to tell ourselves that we
Shall join together again, But . . .
In our minds we'll find that where ever we go
We're gonna miss you so.

Memories of our school
Time just seems to fly
Dignity lies within
Let's give life a try.

Toulminville we love you
You made our dreams come true
We're together through eternity.

CONGRATULATIONS & BEST WISHES
ANGELA MYRANT

Mr. & Mrs. Joseph Collins

These beautiful ladies of the culinary department provided us with the vital nourishments needed in helping us stride toward success. Mrs. Clarke (center) is Assistant Manager of the cafeteria.

Ceceal Britton
Success Enforcer

Seniors,

As you stride toward success, hopefully, you'll find it in your varied endeavors. Too, we are quite happy about the hand in which we shared in helping you to reach success as you now have.

As you thumbed through these pages, excitedly the Staff anticipated your pleasure in its attempt to recapture some events and moments that started or helped you on your way to success.

Good luck in the future.
